Employment History

- 2018 –  **Graduate Researcher** BioIntelligence Lab - Seoul National University, Seoul, Korea. (Sep 2018 – Date.)
- 2019  **Blockchain Developer.** Common Computer - Blockchain Company, Seoul, Korea. (Winter Internship Position Jan–Mar 2019.)
- 2016 – 2017  **Team Lead.** Ericsson - Multinational Telecom Company, Athlone, Ireland. (Testing automation lead on AIA product Sep 2016–Sep 2017.)
- 2014 – 2016  **Software Engineer.** Ericsson - Multinational Telecom Company, Athlone, Ireland. (Python Developer and DevOps on ENM product Sep 2014–Sep 2016.)

Education

- 2018 – 2020  **M.Sc. Engineering, Seoul National University, Korea** in Artificial Intelligence. Thesis title: *Investigating Hierarchical Color Learning in Convolutional Neural Networks*. GPA: 4.22/4.3
- 2015 – 2016  **Prof. Dip. Data Analytics, University College Dublin, Ireland**
First Class Honours.
GPA: 4.0/4.2
- 2013 – 2014  **M.Sc. Software Engineering, Athlone Institute of Technology, Ireland.**
First Class Honours. Graduated in top 5 of class.
- 2009 – 2013  **B.A. (Hons) Psychology, University College Dublin, Ireland.**
First Class Honours. Graduated 2nd in class.
GPA: 3.86/4.2
Exchange Year. Completed at University of Hong Kong.

Research Publications

Bibliography

- 1 **Hickey, C., & Zhang, B.-T.** (2020a). Classifying verbal commands using convolutional neural networks and mel-spectrographic sound representations (upcoming), In *Proceedings of korea computer congress*.
- 2 **Hickey, C., & Zhang, B.-T.** (2020b). Hierarchical color learning in convolutional neural networks, In *Proceedings of the ieee/cvf conference on computer vision and pattern recognition workshops*.
- 3 **Hickey, C., & Zhang, B.-T.** (2020c). Split gibbs sampling algorithm for consistent motif discovery (upcoming), In *Proceedings of korea computer congress*.
- 4 Cho, S., Lim, J., **Hickey, C.**, Park, J., & Zhang, B.-T. (2019). Simulating problem difficulty in arithmetic cognition through dynamic connectionist models, In *Proceedings of the 17th international conference on cognitive modeling*.
- 5 Cho, S., Lim, J., **Hickey, C.**, & Zhang, B.-T. (2019). Problem difficulty in arithmetic cognition: Humans and connectionist models., In *Proceedings of the 41st annual meeting of the cognitive science society*.

Skills

Languages	■	Native English speaker, Intermediate level Korean.
Coding	■	Python, NodeJS, R and Java.
Main Competencies	■	Software Development, Test Automation, DevOps, Computer Vision, Machine Learning and Blockchain.
Misc.	■	Academic research, Academic writing, Git, \LaTeX Linux and Publishing.

Miscellaneous Experience

Scholarships

2013	■	Ericsson Scholarship , Awarded full tuition at Athlone Institute of Technology and stipend from Ericsson in exchange for a commitment to work for the multinational company upon graduation.
------	---	---

Additional Work/Volunteer Experience

2011 –	■	English Teaching , Have taught English to both adults and children in Zambia, Hong Kong, Vietnam, Ireland and South Korea, summing to a total of 2 years teaching experience.
2015 – 2017	■	Samaritans Phone Counsellor , Volunteered at night on a hotline listening service for Irish people suffering with loneliness, distress, depression and other mental health issues.

Certification

2011	■	CELTA Certificate , Completed a full-time month long CELTA English teaching course run in conjunction with Cambridge University.
